## Description

Distinctive residential development that sets a new standard for modern-day living. Two and three bedroom apartments with large terraces, ground floor apartments with garden and spectacular penthouses. All in a unique residential complex with exclusive common areas with swimming pools, gym, playground and social room. Modern and contemporary in design, the buildings face south and east, where the main rooms of the properties also open, thus achieving the highest number of hours of sunshine and maximum energy efficiency. Located in the centre of Estepona, 900 meters from the beach. A privileged space fully consolidated and full of life, perfectly connected and with all services, schools, shops, restaurants and parks.
